DCI DESIGN AND CONSTRUCTION
INSTITUTE OF NOVA SCOTIA

ABOUT DCI

The Design & Construction Institute of Nova Scotia

DCI is an organization consisting of leaders in the design and construction industry of Nova Scotia. DCI has volunteer membership representation from contractors, developers, architects, engineers, designers, project managers and suppliers of products and services from across the Nova Scotia. With over 50 years of service, DCI continues to be a strong and vibrant voice and advocate for its membership.

DCI is a unique organization within the local construction industry as its primary aim is to bridge across professions in order to foster dialogue, create relationships, and contribute to the collective advancement of the industry.

Our events attract a broad representation within the design and construction community, and offer an exclusive opportunity for sponsors to reach across professions and sectors within the local industry.
